Cancellation & Refund Policy

The 3P's Innocence Marketing is a service provider and accepts a fee for time spent assisting clients. In the event the estimated time is not used to assist the client, a refund of any money's collected for a projected time may be returned. The 3P's Innocence Marketing does not charge a fee for projects; all fee's charged are for our time. All time spent must be paid for and cannot be refunded. Once a project has begun, the down-payment quoted on your estimate will be due immediately. If a project is cancelled after work has begun, the flat-fee will be discarded and our fee will be calculated at our standard hourly rate for time spent. A portion of the down payment may be refunded if the time invested multiplied by our standard hourly rate (\$100/hr Remote, \$150/hr On-Site) equals a smaller amount than the total down payment. If a project is cancelled after work has begun and the amount of hourly cost exceeds the down payment, an invoice for the balance will be issued and due on receipt.

If you are unsatisfied with our service at any time, please contact us and describe your situation. While we may not be able to offer a refund, we may be able to assist you with email support.
